

## RC5030 - RC5030 - Engraving pen

---

### Product description

---

The Rodcraft compressed air engraver RC5030 is small, handy and suitable with the hard needle even for steel

This product is a part of [RC5030 - Engraving\\_pen](#)

Identification

Part number: 8951071010

### Technical description

---

## Design and functions

---

Blow per minute: 10000

Chisel shank: Round

Chisel shank diameter (mm): 3.2

Starting system: Rolling throttle

### Size and weight

---

Weight 0.2 kg

### Air information

Air consumption at load: 0.1 l/s

Air inlet thread size (in): 1/4

Air inlet thread type: BSP

Max dynamic air working pressure: 4.1 bar

Min hose diam (5 m hose length): 8 mm

Min hose diam (5 m hose length): 8 mm
